Report Period: Aug 17-30

## Summary of Progress in this Period

During this reporting period we meet to discuss the refection assignment and go over team roles. During this meeting we also introduced ourselves to one another and developed rapport. We also created a Discord server for team communications.

## Pending Issues

One pending issue for this period was reaching out to our adviser and our client for our project. We Also need to do research on Stellar, our company.

## Plans for Upcoming Reporting Period

For this upcoming reporting period we plan on reaching out to our adviser and our client for our project. We will do research Stellar, our company. We also plan on devolving a dated plan that includes our plans and completion dates. Finally, we will start to brainstorm ideas on how to complete this project.
