

Team Name: sdmay21-20

Team Members: Eli Davidson, Andrew Jacobson, Nikhil Sharma, Wyatt Syhlman

Report Period: Oct 19-Oct 25

Summary of Progress in this Period

We met to brainstorm alternative solutions to our project proposal. In addition, we started researching these possible solutions in order to distinguish which will be the best for Stellar Industries.

Pending Issues

Commence designing and testing each solution.

Plans for Upcoming Reporting Period

Continue researching our proposed solutions, and determine which solution will be most viable. Start designing our final solution and possibly go into the testing phase.
